Job & Internship Postings

We are proud to utilize Handshake as our online recruiting platform where your job and internship postings can reach our almost 30,000 students at IUPUI.

On-Campus Interviews

Utilize Handshake to schedule on-campus (or virtual) interviews with science students. Simply select “Interviews” on the left navigation and choose “IUPUI School of Science” during setup.

Information Sessions & Events

Schedule on-campus, off-campus, or virtual events utilizing the Handshake platform. Connect with our team if you want to discuss unique event ideas and strategies to connect with our students.

Career Fairs

Our STEM Career & Internship Fair takes place in both the Fall and Spring semesters. If you would like to receive registration information for the fair please reach out to Jaime Sperandio at jsperan@iu.edu.

Table on Campus

Host an information table in a high-traffic science building. This is a great, informal way to start building a presence on campus and connect with students regarding your organization and opportunities.

Host a Site Visit

Consider hosting students at your organization for a tour and to learn about your internship and/or job opportunities. Leave the marketing and registration to us!
