Program Costs and Financial Support Supplemental Information

All students are admitted to the program with some form of financial support that includes coverage of 24 hours per academic year of tuition expenses. 12 hours per semester is the maximum credit load for students in this program. Support mechanisms include fellowships, research assistantships, and teaching assistantships.

The minimum package for students entering 2019-20 is a 5-year financial support package that includes an annual stipend, a tuition scholarship, and health insurance. The minimum stipend is \$19,000 for the 10 month academic year in return for a 20 hour per week commitment to research and/or teaching. Summer stipends may be available.

First year students supported as teaching assistants are asked to work 10 hours per week during the academic year helping faculty with class work and 10 hours helping their faculty mentor with research tasks. After the first year, teaching assistants are asked to work 20 hours per week. After the third year, students may be asked to teach classes as instructor of record.

The tuition scholarship covers the maximum remittable portion of 24 hours of credit each academic year. Students are responsible for approximately \$880.00 per semester in incidental fees including a general and a temporary repair and rehabilitation fee. A full list of course and program fees may be found at <https://ubur.sitehost.iu.edu>. Based on 2020-21 tuition rates, the tuition scholarship has an annual monetary value of approximately \$8,808 for Indiana residents or \$24,360 for non-residents. Since our inception in 1996, the Clinical Psychology program has been successful in providing continuous support to all PhD students who are in good standing in the program. Although this support is not guaranteed, we have every expectation that we will be able to provide this level of support in the future.

Detailed information regarding tuition and fees at IUPUI can be found at the following website: <https://studentcentral.iupui.edu/cost/tuition-fees/index.html>. Select 'School of Science' from the Program dropdown menu for Psychology Department rate.
