IUPUI School of Science Policy for the Usage of the Distributed Education (DE) Fees

This policy addresses the use of Distributed Education Fees generated by the School.

The fee supports:
1. Development and maintenance of online courses; program development, design, technical support, materials, equipment and quality assurance.
2. Student Services: Mentors and tutoring for DE courses.
4. Teaching: teaching assistants, hourly student help, graders, etc., for DE courses.

This fee does not support:
1. Payment for teaching by the primary instructor (TT, NTT and adjunct) as these costs are covered by the course tuition.
